Strum :   B B hbh hbh hbh

INTRO: A G D A G D

```
     A        G        D  A     G     D
I was born in a crossfire hurricane,
     A              G      D     A     G      D
And I howled at my ma in the driving rain.

     C G     D              A
But it's all right, now, in fact it's a gas.
     C G        D                               A
But it's all right, I'm jumping Jack Flash, it's a gas, gas, gas!
```

Pont: A G D A G D

```
    A          G          D      A        G     D
I was raised by a toothless, bearded hag,
          A          G         D      A      G     D
I was schooled with a strap right across my back.

     C G     D              A
But it's all right, now, in fact it's a gas.
     C G        D                               A
But it's all right, I'm jumping Jack Flash, it's a gas, gas, gas!

    A              G            D        A       G    D
I was drowned, I was washed up and left for dead,
         A        G       D       A      G     D
I fell down to my feet and I saw they bled.
       A         G         D      A      G     D
I frowned at the crumbs of a crust of bread
         A          G        D      A       G     D
I was crowned with a spike right thru my head.

       C G     D              A
But it's all right, now, in fact it's a gas.
       C G        D                               A
But it's all right, I'm jumping Jack Flash, it's a gas, gas, gas!
```

```
A                 G  D
Jumping Jack Flash, it's a gas...
```
