- The Cure (1987)

Couplet	Bm	A	X 4
	D	A	

Refrain	G	E	X 2
	D	A	
	Bm	A	

Intro : D – A – D – A (x 2)

Bm A
Yes I know who you remind me of
Bm A
A girl I think I used to know
Bm A
Yes I'd see her when the day got colder
Bm A
On those days when it felt like snow

D A
You know I even think that she stared like you
D A
She used to just stand there and stare
D A
And roll her eyes right up to heaven
D A
And make like I just wasn't there

G E
And she used to fall down a lot
G E
That girl was always falling, again and again
D A
And I used to sometimes try to catch her
Bm A
But I never even caught her name

Interlude (solo) :

D – A – Bm – A (x 2)

Bm A
And sometimes we would spend the night
Bm A
Just rolling about on a floor
Bm A
And I remember, even though it felt soft at the time
Bm A
I always used to wake up sore

D A
You know I even think that she smiled like you
D A
She used to just stand there and smile
D A
And her eyes would go all sort of far away
D A
And stay like that for quite a while

G E
And I remember she used to fall down a lot
G E
That girl was always falling, again and again
D A
And I used to sometimes try to catch her
Bm A
But I never even caught her name

D A
Yes I sometimes even tried to catch her
Bm A
But I never even caught her name
