The Beatles - A day in the Life   1967   (tonalité originale)

BPM   70

```
G         Bm          Em         Em7
I read the news today, oh boy
C        Cmaj7                Asus 2
About a lucky man who made the grade
G          Bm                  Em        Em7
And though the news was rather sad
C        F      Em   Em7   C      F      Em        C
Well, I just had to laugh       -- I saw the photograph
```

```
G         Bm          Em         Em7
He blew his mind out in a car
C       C/B                Asus 2
He didn't notice that the lights had changed

G         Bm                  Em        Em7
A crowd of people stood and stared

C         F       Em
They'd seen his face before

Em                    Em7                    C
Nobody was really sure if he was from the House of Lords
```
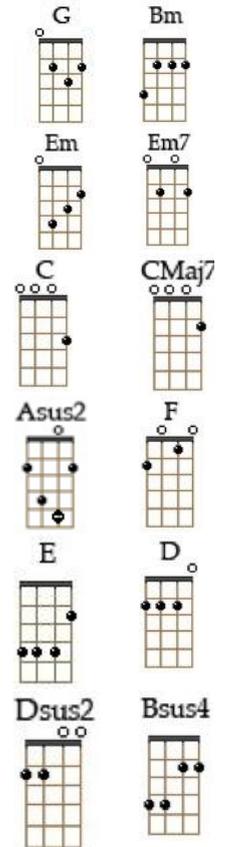

```
G         Bm          Em         Em7
I saw a film today,      oh boy
C        Cmaj7        Asus 2
The English Army had just won the war
G          Bm          Em        Em7
A crowd of people turned away
C       F      Em    Em             Em7        C
But I just had to look,          having read the book
C        C         C
I'd love to turn you on
```

Middle
```
E                        Dsus2
Woke up, fell out of bed, Dragged a comb across my head
E          Bsus4                   E          Bsus4        (B7)
Found my way downstairs and drank a cup- And looking up, I noticed I was late
E                            Dsus2
Found my coat and grabbed my hat --Made the bus in seconds flat
E          Bsus4                   E          Bsus4
Found my way upstairs and had a smoke-- And somebody spoke and I went into a
dream…
```

Interlude : C G D A   C G D A Aaaaaaaaaaaa   Ah aaaaaaaaaaaaa

```
G         Bm          Em         Em7
I read the news today     oh boy
C        C/B          Asus 2
For thousand holes in blackburn Lancashire
G          Bm          Em        Em7
And though the holes were rather small
C       F        Em
They had to count them all,
Em                       Em7                 C    C    C    C
Now they know how many holes it takes to fill the Albert Hall, I'd love to turn you on
